NEW! Rewarding Kindness Scholarship

Simply put, the Rewarding Kindness Scholarship recognizes students that are “good” kids. Coach Dale has dedicated his time to mentoring adults and teens at a substance abuse rehabilitation center and a medium-security prison. He recognizes these good people are paying heavy prices for their poor choices. His time coaching kids’ ice hockey also showed him the importance of how to treat people. Now Coach Dale wants to give back. Although only a Dickinson resident for his sophomore through senior year, Dickinson will always have a special meaning to him. “The life I have been given has been good to me. This scholarship reflects my gratitude to DHS for the Midget friendships and the many fond Midget memories I still maintain.”
